

2021 Indoor Pistol League

After some soul searching and observing the conditions in the state and nation, I have come to the conclusion that the South Fork Rifle Club 2021 Indoor Pistol League should be canceled for this year. I do not make this decision lightly and I know some will not agree with this.

I do not think that the Social Distancing and wearing a mask on the Indoor range are enough to make it safer for the competitors, due the small areas that we must use for scoring and the firing range itself.

My personal dealing with the Corona virus helped me make this call. I tested positive on 9 Nov and I have been miserable since. I have found that the transmission of the virus is much easier than we previously thought. That said, I do not want our league to become a super spreader event.

The hope is that the vaccines that are coming on line will stop this terrible pandemic. Problem is, it sounds like it will be early summer before they become available to all of us, if then!

If something good happens in the meantime, maybe we can have a shortened season. But I would not hold my breath for this to happen.

I hope that we can have the 2020 Banquet sometime in the spring if conditions are favorable, and we can get a venue.

Please continue Social Distancing when using the Outdoor Range. As far as for 2021, we plan on holding the 2021 .22 Benchrest League next summer. Joe has his Groundhog dates and Jack has the Peaking Groundhog matches scheduled.

Hope everyone stays healthy and I look forward to sending this Pandemic down the road for good!

Jeff Lloyd
