

SOUTH FORK RIFLE CLUB
P.O. BOX 274
CRESSON, PA. 16630

January 2021

Hi,

Hope you all enjoyed the Holidays. To join the club or renew your membership you can fill out the application on the back page and send it in with your fees and stamped self-addressed envelope. We hope you will join and support the club. Also you can make copies of the application and encourage others to join. Membership dues are a big part in renovations at the club. Club membership expires on December 31st every year please renew. Listed below are our clubs shooting dates. Remember to practice at our club your membership must be current. Shooting hours are between 9 AM and Dusk. Please lock the gate when leaving the range. Remember range cleanup is everyone's duty, clean up before you leave. No driving vehicles on the range without permission of a club officer.

. **WE CAN ALWAYS USE HELP AT THE FOLLOWING SHOOTING EVENTS.**

SOUTH FORK RIFLE CLUB WINTER PISTOL LEAGUE
2021 Indoor Pistol League

After some soul searching and observing the conditions in the state and nation, I have come to the conclusion that the South Fork Rifle Club 2021 Indoor Pistol League should be canceled for this year. I do not make this decision lightly and I know some will not agree with this.

I do not think that the Social Distancing and wearing a mask on the Indoor range are enough to make it safer for the competitors, due the small areas that we must use for scoring and the firing range itself.

My personal dealing with the Corona virus helped me make this call. I tested positive on 9 Nov and I have been miserable since. I have found that the transmission of the virus is much easier than we previously thought. That said, I do not want our league to become a super spreader event.

The hope is that the vaccines that are coming on line will stop this terrible pandemic. Problem is, it sounds like it will be early summer before they become available to all of us, if then!

If something good happens in the meantime, maybe we can have a shortened season. But I would not hold my breath for this to happen. I hope that we can have the 2020 Banquet sometime in the spring if conditions are favorable, and we can get a venue.

Please continue Social Distancing when using the Outdoor Range.

.22 BENCHREST RIFLE LEAGUE

The 2021 South Fork Rifle Club .22 Benchrest Rifle League will start on 7 June 2021. The league will fire on Monday evenings and run for 12 weeks. The last league night will be 23 August. We will have a small gathering after the league is complete and will be announced to the participants before the league is complete.

There will be no Bank Week shooting prior to the starting of the league as has been done in the past. As has been the process, the shooter must fire 12 matches to earn an average. Those can be regular weekly matches, bank scores, or if needed, make up scores. After the 12 matches are fired, the 2 lower scores are thrown out and the 10 left will comprise the average for the league. The cost of a match, bank, or make up is \$5.00 per match.

As it was in the prior years there will be 3 classes available. Those are Unlimited, Target, and Factory Sporter. The definitions for these classes are:

Unlimited – This class will include all Custom Built Rifles and all-purpose built factory bench rest rifles, such as Anschutz etc. Custom Rifles are rifles that have had match barrels placed on the actions with or without tuners and in a bench rest stock. Auto Loader Rifles are acceptable in this class.

Target – For a rifle to compete in this class, they must have a factory stock, factory barrel, no attached tuner (magnetic tuner accepted). Improved triggers are acceptable, but the rifle must have a working safety. Auto Loader Rifles are acceptable in this class.

Factory Sporter Class – Rifle must have factory stock, factory barrel (must be Sporter weight) no tuner and factory trigger, but can be improved.

A shooter can fire in all classes if he or she chooses.

With the current issues with Covid 19, we hope this league can be conducted. If conditions do not improve before the league begins we will post any revisions on the website. It should not have to be stated but all CDC procedures will be used to keep the competitors safe. Those are Masking and social distancing, not only during league competition, but on the range at all times. Hopefully these procedures will not have to be enforced after vaccines are available.

Stay safe and healthy! We hope to see everyone at the range!!

PEEKING GROUNDHOG MATCH

300 yards, then 200 yards, then 100 yards

More details on the web site or contact Jack Balon 814-419-8183
